

Sydney Harbour Water Quality Improvement Plan: Community Forum

Do you use Sydney Harbour or its tributaries? Are you interested in the health of Sydney Harbour? Greater Sydney Local Land Services is developing a Water Quality Improvement Plan for Sydney Harbour. We are seeking your feedback on what you value most about the Harbour and its tributaries, what concerns you have relating to water quality now and into the future and any management actions you think we should consider to improve water quality in the Harbour.

Three community forums will be held:

Northwood: 6-8pm Tuesday 2nd September - Lane Cove Country Club, River road

Parramatta: 6-8pm Wednesday 3rd September - Mantra hotel, Cnr Parkes Street and Valentine Avenue

Sydney city: 6-8 pm Thursday 4th September - Jumbala Room, Level 47, MLC Centre, 19 Martin Place Sydney

Light refreshments will be provided.

RSVP: Rebecca Kelly, rebecca@isnrm.com.au or 0438 230 246 by 28 August
